This image shows a single sheet of white paper with horizontal blue or grey ruling lines. A vertical line runs down the left side, creating a margin. The paper appears to be part of a notebook or binder, as evidenced by the dark binding visible along the right edge. There are some faint, illegible markings on the page, possibly from a previous page or light bleed-through.

A handwritten lowercase letter 'f' on lined paper. The letter is formed with a single stroke, starting from the middle line, going up to the top line, and then down to the bottom line, with a small hook at the top.
